

Core Values & Guiding Principles

1. Connection to Christ and His Body (*identity in Christ, unity in the Church*)

- We encourage local churches to gather regularly to worship, pray, and encourage one another.
- We practice authentic fellowship and unity across congregations and cultures, recognizing Christ as the head of the Church.
- We facilitate communication and connection between churches through publications, events, and gatherings.

2. Bible-Centered Discipleship (*God's Word as foundation for growth*)

- We preach and teach Scripture faithfully, applying it to everyday life.
- We encourage every believer in their continued growth as followers of Jesus.
- We invest in leaders and mentors who model obedience to Scripture and multiply disciples who make disciples.

3. Spirit-Led Mission (*empowered to reach the world*)

- We listen to the Spirit's leading in prayer, planning, and decision-making.
- We share the gospel boldly, near and far, trusting God for fruit.
- We equip and send workers into new communities, cultures, and nations.
- We strategically partner with other ministries and organizations to expand our impact where God leads us.
